PRESS RELEASE

For Immediate Release

On Thursday October 08th at 8:18am, Carol Stream Police received a call about a body hanging from a tree at Community Park, off the President Street entrance. Upon the arrival of officers and paramedics, a school bus occupied with children was parked in the parking lot approximately 100 ft. from the body. Officers directed the bus driver to drive the bus away from the area while the scene was investigated.

Malcolm McCreary, 23, of Carol Stream, was found hanging from a rope. Officers immediately covered the area with a tarp so the body could not be seen by the public. He was last seen by family members 12 hours earlier. The investigation revealed he apparently committed suicide some time during the night. The DuPage County Coroner will conduct toxicology tests.

School District 41 issued an alert to families of students at Hadley school and Churchill school, both located in Glen Ellyn. District 41 is dealing with any issues related to students that may have seen the body or are talking about the incident.
