

Become a Volunteer

Want some excitement in your life? Want to make some new friends and get to know your police department and its officers better? Want to make your neighborhood safer? Want to direct traffic, guide children at special events or work in our Records Department?
Want to get involved?

You **CAN** make a difference! By volunteering your services a few hours every month or two is not much, but will really contribute to the success of many programs by the efforts of a few people.

The Carol Stream Police Department is looking to add several volunteers to our volunteer program. Hours are very flexible and we will train you. Check out the list of events you can participate in, have fun, meet people and make a difference.
