

## HISTORIC FARMHOUSE

The Italianate-style Farmhouse built in the early 1860's located at 301 W. Lies Rd. is nestled among towering elms and outlined with vintage landscaping and heirloom flowers. A vine-covered arbor greets visitors and guests. Other outside amenities include a gazebo and a completely restored Elgin Wonder windmill.

The completely renovated handicap-accessible two-story farmhouse features a large sitting room with a gas fireplace and a pull down projection screen, a private parlor perfect for intimate gatherings and a 1950's style kitchen complete with new appliances for meal preparation and food service for small groups of 50 or less. The Historic Farmhouse features several reception rooms, full access to technology and a caterer's service for your next bridal shower, wedding, recital, lecture, high tea, garden party, holiday event, special gathering, educational program or business meeting. To schedule your next event at the Historic Farmhouse, phone the Village Manager's Office at 871-6250.
