On Behalf of the Community, a Hearty Welcome!

We want this short note to convey the friendliness that is traditional in Carol Stream. Establishing your home in this community means new things to do, new places to go and new friendships to be made. Please consider visiting the Village Hall on the **1st or 3rd Monday of each month**. At 7:30 p.m., your Village Board hosts the "Listening Post", an informal forum giving residents an opportunity to speak directly to the board about issues and concerns. The formal Village Board meeting follows at 8 p.m. and the public is welcome to observe the Village Board at work. Become familiar with your new Village, its many services and your representatives!

We hope you enjoy living in Carol Stream and believe you will discover excellent schools, cultural and recreational opportunities, as well as other areas that will contribute to your comfort and well-being.

If there is any service or information you desire in getting your home established, please feel free to call our Mayor's Office (630.871.6251) for assistance. It will be a pleasure to extend every courtesy that is within our power.

Sincerely,

Frank Saverino
Mayor
