

## **PASSPORT SERVICES**

The Village has received permission to be a local passport agency and in doing so provides a convenient location to apply for a passport or request a renewal of your passport. Passport application forms are available on line through the [U.S. Department of State](#) or from the Village Clerk's office. To make a passport application, you must present a completed and unsigned form along with proof of citizenship, two 2" x 2" photos taken within the last 6 months, proof of identity, social security number and the required application fee. The Village Clerk's office provides passport service Monday through Thursday from 8 a.m. to 3:30 p.m.
