GENERAL

General. These regulations are a collection of various code requirements for the installation of solar thermal and photovoltaic systems.

The three sections: commercial, residential, and electric contain requirements for the system installations.

The following codes are referenced in the provisions:

- IBC – International Building Code – 2018
- IFC – International Fire Code - 2018
- IMC – International Mechanical Code - 2018
- IPC – International Plumbing Code - 2018
- ISPSC – International Swimming Pool and Spa Code - 2018
- R – International Residential Code – Building Provisions - 2018

Local amendments to the above-referenced adopted codes shall apply.

ICC 900/ RCC300-2015, ICC 901/RCC 100-2015, Resource A and B are adopted.
